

SAUHTA HILLS INDIA PVT LTD

Trellis

- Frutech prestressed concrete pole 8x8.5cm with 12 wires and length 15Ft machine Based pole
- Frutech prestressed concrete pole 9x9.5 cm With 18 wires and length 15Ft machine Based pole
- Resistance to Freezing and rusting and long life
- High compressive strength with greater Flexibility

Gi Pipe

- JDL Gi Pipe 60 OD&76OD (2 Inch &3 inch)
- Galvanized and Iron the zinc coating provides a barrier against rust corrosion
- Gi pipe are light weight and easy to install
- Length 15ft

Concrete Caps

- Concrete Caps 8x8.5 & 9x9.5 UV Stabilized for long outdoor life
- Holds both side wires perfectly
- Concrete pole cap for Anti hail net & Cross Wires

Gi CAPS

- Galvanized Bolt & washer
- Smooth non Damaging surface
- Affordably Priced

GI Pipe cap for Anti hail net & Cross Wires

cnan

Cnan GI Pole Cap for Anti-hail
Nets & Cross Wire

Anchor & Hooks

- Anchor = Iron Anchor (Primer Coated 3.50 Ft With Plate size = 8x8 inch 16mm rod Thickness
- Double Hook, Trippel Hook ,Single Hook Sinble Small Hook = Steel Hook Anchor wiretightntne type for anchors
- Hex bolt with lock
- Galvanized and hot Dip

Wire Tightner

- Wire Tightners 8x8.5 & 9x9.5 = Suitable For 8x8.5 & 9x9.5 Cement Pole
- Hot Dip Material With complete accessories
- Hex Bolt With lock Screw and Nut
- Gi Wire Tightner 60 OD & 76 OD
- = Suitable For 60 OD & 76OD Gi pipe
- (HOT Dip Material)

High Tensile Wires

- wires 2.2mm & 2.5 mm & 3.2 mm and 4mm wires = Easy handling even by untrained personnel and for convenient stringing for wire in the field
- Zinc & Aluminum Coated
- 20 year Rust warranty
- Easy yet sturdy frame
- Easy assembling within minutes

- Plant Tie = Uv Stabilized for long outdoor life
- Fast and easy to use sturdy highly flexible and reusable does not damage plant tissue
- Post Fix = Used for fixing and holding in place stretched sport wire with vertical post (Galvanized high tensile wires) Shape for perfect grip
- U Bolt = 8no& 10no(Galvanized)

Gripple

- Gripple small , medium and large size = join and tension is one faster than tying and knotting wires
- Work with both plain wires & high tensile wires

Tensioning Tools & wire Cutter

- Allows easy tensioning and repetitive tensioning of wire
- Torq Tensioning tool allows tensioning wire/ Cable using Gripple joiner

WIRE CUTTERS

- Heavy duty wire Cutters for all type of wires
- Easy to use
- Hardened steel Jews for great results & durability
- Handle Lock
- In Two Models
- Small For wires Up to 3mm
- Large for wires up to 6mm
